Chart to Decide Protocol

**Review**
- Take some time to review all your journal entries up to this point.
- Look for ideas and questions.

**Reconsider**
- Identify what is interesting to you.
- Use a highlighter to mark what’s interesting.

**Visualize your questions**
- Create a chart of your ideas.
- Look for similarities and differences.
- Place similar ideas together in a cluster of circles.
- With new ideas, create a new cluster of circles.
- Write a question that represents the ideas in each cluster.
- Identify three of the most interesting questions.

**Share with your inquiry circle**
- Take your chart to the inquiry circle to help you identify the direction of your inquiry.
- Consider the following questions with your group:
  - How much time do I have?
  - How much information is available?
  - What are my learning goals?
  - Am I interested in this?
